THE
BIGGER
PICTURE

- Digital Screens
- Cineworld currently have the largest number of state-of-the-art digital projectors across the UK – showcasing 3D, Live Sport, Live Opera, Live Theatre, Gaming or Corporate Presentations.
- Our theatres are air-conditioned, benefit from stadium seating and have full disabled access.

Conferences

Magnetic reasons to come to Cineworld!

- Large numbers don't frighten us – great for a launch or a Town Hall type of briefing
- Employee Events such as:
 - Employee of the year
 - Celebration of achievements – major accreditations
 - Presentation of certificates
- Reward your Team – a small or large outing
- Incentivise your staff with tickets
- Facilitate a work night out with a difference.

How can we make it unique and special for you?

- Today is an example of what can be achieved!
- Theme your event to the latest blockbuster
- Bring back a classic – some films have messages in them that can be used to make a point
- Have full use of:
 - the screen
 - a designated area in the cinema
- Our people...

- More importantly, we can dedicate a highly skilled team to help you make your event special.

Hosting your
conferences
and meetings...

Conferencing and Meetings

Cinema auditoria are perfectly suited to hosting your conference or meeting. Cineworld offers a unique and exciting atmosphere like no other venue. With dedicated on site professionals to assist with the planning of your event, unparalleled screen size, comfortable stadium seating, surround sound and digital projection, we can make your meeting one to remember.

Private Film Screenings

There is no better way to enjoy the latest blockbuster, pre-release screening or cult classic than from the comfort and privacy of your very own theatre. Whether for a corporate or private event or as a finale to your meeting, Cineworld offer a sliding scale of prices to suit all group sizes and budgets.
